The Urban Table Range

Available in 3 different colourways, the Urban Ceramic top table with Aluminium frame will add a touch of class to any outdoor or indoor dining area. With it's scratch and heat resistant, non porous, easy clean ceramic tiled surface and robust aluminium frame, the Urban will stay classy no matter what conditions your cafe, restaurant or bistro area experiences.

MARBLE

CONCRETE

RUST

URBAN MARBLE
800 x 800mm
Code: URBMAR

URBAN CONCRETE
800 x 800mm
Code: URBCON

URBAN RUST
800 x 800mm
Code: URBRUS

- Elegant, timeless design
- Robust aluminium frame making it light yet extremely durable
- Ceramic non porous top giving it an easy clean, wipeable surface
- Easy assembly, tools provided
- Scratch, stain and heat resistant
- Suitable for outdoor and indoor use

Concrete has a Matte finish that gives the tiles more grip for when cups or plates are placed directly onto the surface. Marble and Rust have a glossy finish. The benefit of a glossy finish is that light bounces from the glazed surface, creating the illusion of a bigger and a brighter room. A glossy finish also balances out the light in rooms where there are light limitations. They are also easier to wipe clean due to the smooth finish.

The Compact Laminate Range

Our Compact Laminate Tabletops offer an incredibly durable and modern solution to those venues looking for a sleek minimalist design that can withstand anything that your customers and Mother Nature herself can throw at them. At only 12mm thick these tops have an extremely slim profile, and will suit both outdoor & indoor eating areas.

5 Year
Warranty
